

MESTEK Infrared Thermometer

MESTEK®

-50°C-550°C
+Hygrometer

Specification:

Model : IR01A,IR01B,IR01C,IR01D

Range of temperature measurement:

IR01A:-50~380C

IR01B:-50~550C

IR01C:-50~550C,ambient temperature:-10~60C,ambient humidity:0%~100%RH

IR01D:-50~800C,ambient temperature:-10~60C,ambient humidity:0%~100%RH

D:S : 12:1

Emissivity:0.1~100 adjustable

Response spectrum :8~14um

Laser positioning:12 point ring indicating temperature sensitive zon

Laser :<1mW/630-670nm level 2

Response time:<0.5s

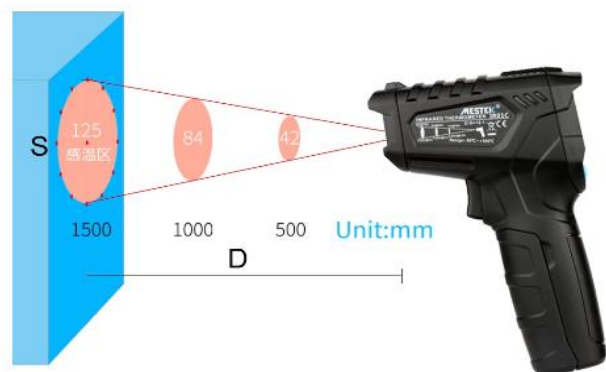

Automatic shutdown :30 seconds

Data retention :there are

Service temperature:0~40C

Storage temperature:-10~60C

Temperature difference alarm:free set upper limit and lower limit alarm in temperature range
